The playhouse ZWERG is a small but nice playhouse for the playground and especially for the kindergarten and crèche. The house is delivered completely pre-assembled, with loose post shoes. Inside there is a bench and a table for role-playing games of all kinds. A small "bell button" is attached to the door frame.

## MATERIAL

- domestic softwood (KDI) -
- 3-layer larch wood panel
- hot-dip galvanised steel
